Base Ball.

The team that goes under the name of the Millers, and which represents Great Bend in the State League, has been playing some excellent ball the past week. They have won every game played since our last report except one, and one game was postponed on account of rain, last Thursday.

On Friday they took the railroads down the line by a score of 10 to 5. On Saturday they opened at Arkansas, winning by a score of 3 to 2. On Sunday they repeated the dose by getting the game 4 to 1, and for good measure they won Monday by 3 to 0. On Tuesday they permitted the Grays to win by a score of 3 to 2. This was only a happening after winning nine straight games. They came home Wednesday morning and opened with Arkansas City that afternoon, winning by 7 to 3.

On Sunday they open a series of four games here with Hutchinson.

The standing of the teams on Wednesday evening was as follows.
